Ethel MacDonald quoted in Missoula Road & Track Newsletter: "The big "events" are great; however, when it comes to just fun runs, it's hard to beat the Evaro Mountain Challenge (the 10K of course, the 5K is just the Evaro--no mountain challenge about it). Don't wear your new white shoes."

I hereby for myself, my heirs, executors & administrators, do waive and release any and all rights and claims for damages of any nature which I might have against any organization, municipality or individual associated with this event and agree to hold harmless from any claim such parties. I know that I must be in good health to participate and that there might be unmarked hazards on this rustic course. I understand and accept these conditions.
